

FTR

modern golf cars

MODEL 3

PREMIUM IS THE STANDARD

TECHNOLOGY TO POWER YOUR GAME

Crafted with the Customer in mind, the FTR Golf Car ushers in a new era of technology and style that captures everyone's attention.

As you settle into the seat, grasp the premium leather steering wheel, and accelerate, you'll be immediately engaged.

FTR Golf Cars are more energy-efficient than traditional carts, allowing you to extend your driving time between charges with a sophisticated LiFEPO4 Battery Pack.

FTR Cars can be plugged into any 110 outlet, reducing your charging time by one-third compared to standard lead-acid batteries.

Maintenance is minimal, giving you more time for yourself!

We aim to streamline your experience, save you time, and lessen your carbon footprint all at once.

Premium Seating

Premium Leather Seating offers comfort and function while you play

Storage and Function

Model 3's traditional dash with Infographic system provides ample storage and flexibility

Stylish Ride

Stock 12" Aluminum Rims with Comfort Ride Tires. Letting you ride in style and comfort.
